

BEng in Electronic and Communication Engineering
Recommended Study Plan for Students Entering Major in 2017/18

Minimum Graduation Requirements

	<u>Normative 4-year degree</u> Credit Units (CUs)	<u>Advanced Standing I (ASI)</u> Credit Units (CUs)	<u>Advanced Standing II (ASII)</u> Credit Units (CUs)
<u>Major Requirements</u>			
Core courses	69 ^a	60 ^a	48 - 57 ^a
Technical Elective courses	15 ^b	15 ^b	15 ^b
<u>GE Requirements</u>			
(GE1401 and GE2410)	6 ^c	6 ^c	3 (GE2410)
Chinese Civilization	3	3	Not required
Gateway Education (Area Requirements)	12 ^e	6 ^e	3
College-specified Courses	9 ^f	6 [^]	6 [^]
<u>College Requirements</u>			
	6 ^g	0	0
Minimum number of credits required for the award:	120^{d h}	96^{d h}	75^h

Note:

- a. i/ Including non-credit-bearing courses EE4091 Engineering Training I for Electronic and Communication Engineering, and EE4092 Engineering Training II for Electronic and Communication Engineering.
- ii/ EE1001, EE1002 and EE1003 are no required for Advanced Standing I & II students.
- iii/ CS2311 is not required for Advanced Standing II students.
- iv/ Requirements on EE2000, EE2004 and EE2301 will be considered case by case based on ASII students' backgrounds in the subjects.
- b. Students are required to take at least FIVE electives (15 CUs) from the Elective List. For details of the course pre-requisite requirement, please refer to <http://www.ee.cityu.edu.hk/main/student/> for major and course information.
- c. Normative 4-year degree and ASI students entering without Level 4 in HKDSE English Language or Grade D in HKALE AS Use of English are required to take EL0200A English for Academic Purposes 1 & EL0200B English for Academic Purposes 2 (EAP) of 6 credit units before progressing to GE1401 University English and GE2410 English for Engineering. Early exit arrangement is available that students achieving a grade B or above in their overall course results for EL0200A will be permitted to exit at this point and progress to the GE English courses.

The credits earned from the EAP course(s) will not be counted towards the minimum credit units required for graduation nor be calculated in students' CGPA. Students who are not admitted through JUPAS are invited upon enrolment to take the English Placement Test or to provide proof of alternative qualifications to be exempted from ELC course (http://www.cityu.edu.hk/elc/courses_exemption.html).

- d. Normative 4-year degree and ASI students entering without Level 4 in HKDSE Chinese Language or Grade D in HKALE AS-level Chinese Language and Culture are required to take a 3-credit-unit course CHIN1001 University Chinese I. The credits earned will not be counted towards the minimum credit units required for graduation nor be calculated in students' CGPA.
- e. Normative 4-year degree students are required to take a minimum of 3 CUs from each of the following specified areas – 1/ Arts and Humanities, 2/ Study of Societies, Social and Business Organizations, and 3/ Science and Technology.

Advanced Standing I students are required to take their 6CUs from two different areas above.

- f. College-specified courses for fulfilling the Gateway Education requirements:

MA1200/ MA1300	Calculus and Basic Linear Algebra I/ Enhanced Calculus and Linear Algebra I	3 credit units
MA1201/ MA1301	Calculus and Basic Linear Algebra II/ Enhanced Calculus and Linear Algebra II	3 credit units
CS1102/ CS1302	Introduction to Computer Studies/ Introduction to Computer Programming	3 credit units

^ ASI and ASII students are required to take 6 credit units of MA courses from the above pairs. Students exempted from either one or both of the above MA courses should take any course(s) not within the Major Requirement (including core courses and electives) to make up for the minimum curriculum requirement.

- g. Normative 4-year Degree students are required to take two courses (6 CUs) out of three for their College requirement. Courses include AP1201 General Physics I, BCH1100 Chemistry and BCH1200 Discovery in Biology.
- h. Students having completed EE4081 Professional Internship Program (6 CUs) will take one less **technical** elective (3 CUs) and are not required to take EE3012 Engineers in Society (3 CUs).

Year 2 (Semester A)
