The Hong Kong Jockey Club Scholarships – Undergraduate Scholarship

Regulations

Objectives

The Hong Kong Jockey Club Charities Trust (the “Trust”) aims to identify and groom outstanding talents to become leaders who will create positive change and inspire society to strive for excellence. Since 1998, some HK\$400 million were awarded to more than 400 young talents to support their undergraduate programmes at eight UGC-funded institutions and the Hong Kong Academy for Performing Arts.

Scholarship

Awards

From 2017/18 onwards, up to 45 students in total will receive full scholarships. Each of the eight UGC-funded institutions and the Hong Kong Academy for Performing Arts will receive up to **FIVE** scholarship awards for

- Four Hong Kong students (including one with special educational needs¹); and
- One student from mainland China.

Full scholarships, covering tuition fee, academic expenses and living costs for the entire normal length of study² towards an undergraduate degree programme, are awarded. The value of scholarships for the 2017/2018 academic years are as follows :

- | | | |
|--------------------------------|---|------------------------|
| 1. Local Scholars | : | \$107,500 |
| 2. Non-local Mainland Scholars | : | Tuition Fee + \$65,400 |

The actual value of each scholarship is revised each year with reference to recommendations from the Working Family and Student Financial Assistance Agency and respective institutions on the tuition fee and living expenses of the current academic year.

The actual scholarship amount payable to individual students for a particular academic year is subject to adjustments. For example, the scholarship amount will not cover non-credit bearing programmes in which students opt to participate, either held locally or overseas, in lieu of their normal coursework required by their study programme.

Understanding that students with special educational needs may not necessarily follow the normal length of study required by their study programme due to health or other special conditions, the Trust will provide flexibility and accommodation on scholarship payment schedule upon request from the students and advice from their respective institution.

Recipients of the Scholarship may be called "Jockey Club Scholars" or "JC Scholars" in short. Being a Scholar, the student will become a member of a network of past and current JC Scholars and enjoy a range of privileges, such as opportunities to participate in learning, networking and community service programmes.

All JC Scholars are expected to actively support alumni activities to the best of their abilities.
