

City University of Hong Kong

Bright Future Whole Person Development Scholarships

Regulations

Bright Future Charitable Foundation has kindly agreed to donate a number of scholarships to the University with effect from the 2016/2017 academic years. With an aim to attract first-class students to study the Engineering programmes at CityU, the donor has made a further donation to continue the Scholarships in 2017. The following regulations shall apply as of 2018/2019:

1. *The Scholarships shall be known as the “Bright Future Whole Person Development Scholarships” (鵬程全人發展獎學金).*
2. *There shall be a maximum of THREE scholarships per annum. The total value of each award shall be HK\$208,400*, covering the awardees’ annual tuition fees for four years of studies at CityU plus subsidies to their expenses for outbound exchange/internship programmes.*
3. *The Scholarships shall be offered to top three local engineering students who:*
 - i. *are Year 1 local students admitted through JUPAS route who shall be pursuing undergraduate programmes of Engineering[#] in the College of Science and Engineering (CSE);*

CSE Undergraduate Programmes of Engineering Major include:

<i>2018/2019 academic year</i>	
	<ul style="list-style-type: none"> • <i>BEng in Architectural Engineering</i> • <i>BEng in Civil Engineering</i> • <i>BSc in Computer Science</i> • <i>BEng in Computer and Data Engineering</i> • <i>BEng in Electronic and Communication Engineering</i> • <i>BEng in Information Engineering</i> • <i>BEng in Biomedical Engineering</i> • <i>BEng in Mechanical Engineering</i> • <i>BEng in Nuclear and Risk Engineering</i> • <i>BEng in Materials Engineering</i> • <i>BEng in Systems Engineering and Management</i>

^ First year students with an undeclared major from an engineering department in CSE will also be considered for the scholarships.

- ii. *have achieved outstanding academic performance in HKDSE, especially in STEM-related subjects:*

<i>Criteria for JUPAS entrants</i>	
<i>1.</i>	<i>Level 4 or above in either Chinese or English</i>
<i>2.</i>	<i>Level 5 or above in Mathematics (compulsory)</i>
<i>3.</i>	<i>Level 4 or above in ONE of the following subjects</i> <ul style="list-style-type: none"> • <i>Physics;</i> • <i>Chemistry</i> • <i>Biology</i> • <i>Combined Science</i> • <i>Mathematics Extended Modules (M1 or M2)</i>

- iii. *have shown a genuine commitment to the field of engineering as a future profession; and*
 - iv. *have demonstrated leadership through volunteering, community services and other extracurricular activities.*
4. *Students who have received the “Institutional Scholarships” or the “Dean’s Scholarships” under the CityU Scholarships for Hong Kong Talents will also be considered for the Scholarships.*

5. *A Selection Committee will be formed to evaluate and select the awardees.*
6. *Renewal of the Scholarships will be granted on an annual basis, awardees shall:*
 - i. *obtain satisfactory academic performance, i.e. achieving a cumulative CGPA of 3.30 or above by the end of Semester B each year; and*
 - ii. *pursue an undergraduate programme of Engineering in CSE as specified in 3(i) in the awarding year.*
7. *The Scholarships shall be paid by off-setting the student's tuition fee in each academic year while the amount of subsidies for covering expenses of outbound exchange/internship programmes will be paid to the student's bank account upon receiving confirmation from CSE.*
8. *Nominations from the College of Science and Engineering (CSE) shall reach the Student Development Services in early September each year and the awards shall then be made as soon as possible.*
9. *Should there be no eligible candidate in any year, the award(s) will be carried forward to subsequent years.*

Remark:

With an objective to nurture our students and to promote caring culture, the Community Relations Committee of the University Council has recommended that each award recipient is expected to make an annual donation of at least HK\$200 to City University of Hong Kong for student support via CityU Alumni Giving Club when they are in employment after graduation. This term has been incorporated into all scholarship/prize/award/bursary schemes, whether they are donated by external donors or contributed by University funding, with effect from February 2008.

**The annual tuition fee shall be HK\$42,100 in the 2018/19 academic year. The tuition fee and costs of outbound exchange/internship programmes are subject to change*
