

“IAS/CES” and “EE Professional Internship Program Information Day” held on 5 March 2021 (Friday)

Query and Answer

1Q: Can students join IAS and EE Professional Internship Program?

1A: Yes, students can join both of the programs. Students can start the internship in September.

2Q: Can students join OIS and EE Professional Internship Program?

2A: Yes, students can join OIS and Professional Internship Program provided that the job interview is agreed to be done by zoom.

3Q: Can students join OIS and IAS at the same summer semester?

3A: Normally, students are not offered to OIS and IAS at the same summer semester. You are advised to consult Co-opt Education Centre, Mr Silas Foo.

4Q: Differences of CES and EE Professional Internship Program?

4A: The course registration for CES is EE4080 (Project) or equivalent. CES can be regarded as industrial Final Year Project. While Professional Internship Program can be regarded as job training.

5Q: Can students join industrial Final Year Project or CES, and, EE Professional Internship Program simultaneously (same period and same company)?

5A: Yes, students can join both of the programs provided that the project and the internship have sufficient distinctions.
