

## MTR 2022 Graduate Recruitment

Over the past 40 years, MTR has been transformed from a local railway operator to one of the world's leading railway companies as well as a successful business with a unique "Rail plus Property" development model. What we deliver every day touches over 7 million customers from our railway and properties locally in Hong Kong. With the expansion of our global footprint, we now engage in everyday touchpoints with over 13 million customers in the Mainland of China, the United Kingdom, Sweden and Australia.

To meet our business needs and to match individual profiles and aspirations, we are devoted to taking on talented graduates to join our **Graduate Trainee and Functional Programmes** to develop along the general management path and build professional expertise. The fruitful journey will provide you with **broad exposure through job rotations, ample opportunities to gain crucial business and leadership experiences and an accelerated career path.**
