

The Clearwater Bay Golf & Country Club
HONG KONG

清水灣鄉村俱樂部

香港新界清水灣大坳門路139號

139 Tai Au Mun Road, Clearwater Bay, New Territories, Hong Kong

☆☆☆☆☆

The Clearwater Bay Golf & Country Club, spread over 130 hectares with over 2,500 memberships, is a private members' club featuring an 18-hole golf course and a golf academy course, a full-service and self-contained marina, in addition to a variety of premier sports, leisure, wellness and dining facilities. It is operated by dedicated professionals and we are currently seeking a high caliber individual to join our dynamic team, in the position of:

Maintenance Engineer

Responsibilities

- Assist the Engineering & Project Manager in overseeing the daily operations of Engineering Department and projects progress (if need)
- Implement the preventive & corrective maintenance for electrical, MVAC, plumbing & drainage, fire services installation, lifts and general builder works
- Investigate technical problems and derive solutions
- Keep track of the Club's facilities operating in well condition, and fulfill the statutory requirements for licensing application / renewal (i.e. FS251, WR2 and Club's license)
- Discover, plan and complete the repair / maintenance tasks to ensure it is well fit with operational, budgetary and on target time frame by routine inspections. Ensure the maintenance resources are fully utilized to achieve the desired output and satisfaction by the user departments
- Monitor the club's safety requirements in maintenance plan

Requirements

- Higher Diploma or Degree in Mechanical or Building Services or Electrical Engineering or equivalent
- At least 4 years' relevant experience in a building or property maintenance, exposure in hotel or club is preferable
- Service oriented, hard works, good leadership skills & substantial engineering practical knowledge
- Good communication & interpersonal skills
- Good command in both written & spoken English and Chinese
- Willing to work on shifts, weekends and public holidays

Candidates with more experience will be considered as Assistant Engineering Manager
