

Standard Chartered Bank

2021 – GBA Youth Employment Scheme – Software Engineer (Test Automation Engineer) – China/ HK

Job Description

Greater Bay Area (GBA) Youth Employment Scheme

As a key player in GBA, Standard Chartered Bank (Hong Kong) Limited is participating in the Greater Bay Area Youth Employment Scheme (“the Scheme”), launched by the HK Government, to encourage and support young people to work and pursue their careers in the Mainland cities of the Guangdong-Hong Kong-Macao Greater Bay Area.

The Scheme will offer a 18-month full-time opportunity to recent graduates and allow them to understand the latest developments of both Hong Kong and those cities and leverage the opportunities for career advancement in the GBA. Please refer to HK Government website for more information:
