

## 2023 HSBC Global Internship Programmes - Hong Kong

Whether you're in your first, penultimate or final year of your undergraduate or postgraduate studies, we offer a wide range of exciting opportunities for you to start your career with HSBC.

We are still accepting applications for our Summer Internship Programmes in Digital Business Services and Wealth and Personal Banking which are suitable for penultimate undergraduates who are available to work full time from June 2023 for ten weeks. Click on the links below to apply now.

**Spotlight on programmes:**

Please note we have a wide range of roles and programmes, please check HSBC.com for more information:

Business Line	Overview	Type of Programme	Apply Now
Wealth and Personal Banking	Wealth and Personal Banking (WPB) supports individuals, families, business owners, investors and entrepreneurs. WPB provides products and services that include current accounts, credit cards, personal loans and mortgages, as well as savings, investments, insurance and wealth management. Learn more about the internship in the business <a href="#">here</a> .	Summer Internship	<a href="#">Here</a>
Digital Innovation	At HSBC Technology, you'll be part of a progressive and diverse organisation that has the talent and scale to develop, apply and invest in the technologies that are changing the financial services industry. Learn more about the internship in the business <a href="#">here</a> .	Summer Internship	<a href="#">Here</a>
Operating Excellence	In Global Operations we run and deliver customer operations and help to manage change in the bank. Learn more about the internship in the business <a href="#">here</a> .	Summer Internship	<a href="#">Here</a>

We also have available positions for first, second or penultimate year HKSAR undergraduates who are available to work from July 2023 for 6 months. Should you be interested, kindly submit your application [here](#).
