

Title : Specialist - Technical Service Support/ Engineering (Officer/Assistant Officer Grade)

Arcelik Hitachi Home Appliance Sales Hong Kong Limited

<https://www.hitachi-homeappliances.com.hk>

Company Overview

Arçelik Hitachi Home Appliances was established as a joint venture between Arçelik A.Ş. and Hitachi Global Life Solutions, Inc to manufacture, sell and provide after-sales services of Hitachi branded home appliances including refrigerators, washing machines, vacuum cleaners globally (outside of the Japanese market). Arçelik (a multinational household appliances manufacturer that employs over 40,000 people worldwide and operates in 48 countries, and 28 production facilities in 9 countries with 12 brands such as Beko and Grundig) acquired 60% ownership in the new company while Hitachi Global Life Solutions, Inc. continues as a 40% shareholder of the company.

Through this joint venture, Arçelik and Hitachi Global Life Solutions, Inc. have combined their expertise in other key areas such as R&D, procurement and production systems to optimize the joint venture's global supply chain and strengthen its competitive positioning in the market.
